

September 29, 2020

Dear Ms. Jones,

It is my pleasure to endorse you as a candidate for the District 2 Board position for Fort Wayne Community Schools (FWCS). Over the years I have had the opportunity to see you interact at a professional level with members of this community with integrity and determination. You have been able to offer an educated and calming voice when opinions differed and a decision for the good of the community had to be made.

As a Board member for FWCS, I am confident that you will focus on what is best for the children attending the largest public school corporation in Indiana, as well as the staff who work tirelessly to educate our youth. With your years of experience working in social services and fostering children in Allen County, I know you will be empathetic and resourceful with your review of policies and your votes once at the table.

I wish you the best in this endeavor to continue to serve others as a Board member for FWCS.

Professionally,

Dottie L. Davis
